Plan a day full of fun memories!!!

Ring in the Noon Year: Many children can't (or shouldn't) stay up until midnight, so count down until the noon year. Bring out the noisemakers, pour a sparkling apple cider toast, and count down to the stroke of 12 p.m. on December 31.

Bring on the Noise: Preparing for the party is half the fun, so get kids involved in making festive decorations. They can create their own noisemakers by filling plastic water bottles with rice or lentils and covering the bottles with colored paper, glitter and other decorations. Don't have any empty water bottles? Make a joyful noise by banging pots and pans together when the clock strikes 12 noon.

Hats Off: It wouldn't be New Year's Eve without silly hats, so gather supplies for making them. Raid the recycling bin for newspaper, leftover wrapping paper, ribbons, cardboard, paper plates and other materials. Award a prize for the silliest, the most creative, the prettiest, etc.

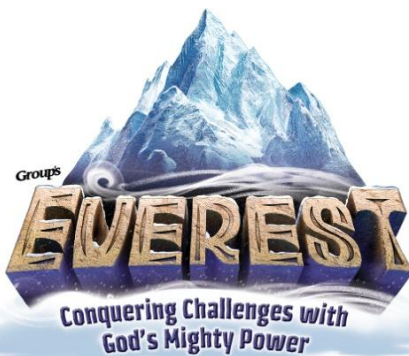

KID'S CORNER

This is a place for St. Luke's children to share their Christian stories, life, lessons and drawings with their peers.
