God's Backyard Verse of the Month:

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here! 2 Corinthians 5:17

In November, our theme is "Daniel and The Lion's Den." You may THINK you know this story, but God always has something new for us to learn. Each week you will visit a different station and discover something new! Meet us in Room 205 by 9:45 each Sunday!

### Thanksgiving FUN! Have a Mini Pumpkin Hunt!!!

A fun activity that's perfect for families on Thanksgiving is a mini pumpkin hunt. You can hide one or more mini pumpkins, indoors or outside, and let the family loose — like an Easter egg hunt with an autumn twist.

### God Tag of the Month— The Seven Days of Creation!

Day one- Light - (Jazz hands in front of chest)

Day Two- Sky (BIG jazz hands over head)

Day Three- Water and Dry Land, plants and trees (hands make wave motions, criss-cross for land, hands up for tress)

Day Four- Sun and Moon and Stars (full arms circle, hand circle, spark hands for stars)

Day Five- Fish and Birds (hands together, swimming- then flapping)

Day Six- Animals and Man (use arms like a bear walking, then hands on hips- proudly stand like a man)
